

Website Disclaimer

The information provided on this website is for general informational purposes only and is not a substitute for professional medical or psychological advice, diagnosis, or treatment.

While every effort is made to ensure the accuracy of information, The Potter Practice makes no guarantees regarding the completeness, reliability, or suitability of the content for your specific situation.

Use Of Information

Any reliance you place on information on this website is strictly at your own risk. You should always seek appropriate professional advice from a qualified healthcare provider regarding your individual circumstances.

Treatment options described on this website may not be suitable for everyone. Only a thorough assessment and consultation with a registered professional can determine the best course of care.

External Links

This website may contain links to external websites for convenience or reference. The Potter Practice is not responsible for the content, accuracy, or policies of any external websites and does not endorse them.

Intellectual Property

All content on this website, including text, images, logos, and other materials, is the property of The Potter Practice unless otherwise stated. You may not reproduce, distribute, or use any content from this website without prior written permission.

Limitation Of Liability

To the maximum extent permitted by law, The Potter Practice, its staff, and affiliates shall not be liable for any direct, indirect, incidental, consequential, or special damages arising from:

- Use of, or inability to use, this website
- Reliance on information provided
- Any errors, omissions, or inaccuracies in the content

This includes, but is not limited to, any consequences relating to your health, treatment decisions, or wellbeing.

Professional Status

Rhys Potter is a **registered chiropractor with the General Chiropractic Council (GCC)**.

All healthcare services offered through the clinic are provided by regulated professionals. Nothing on this website should be interpreted as creating a doctor–patient or therapist–client relationship.

Updates

The Potter Practice may update or revise the content on this website at any time without notice.

It is your responsibility to review this disclaimer periodically to remain informed of any changes.
